FINANCIAL POLICY

Patient Name: _____ Date of Birth: _____

BASIC POLICY Pay for service is due in full at the time service is provided in our office.

FOR PATIENTS WITH INSURANCE We bill most insurance carriers for you if proper paperwork is provided to us. We will also bill most secondary insurance companies for you. Copayments and deductibles are due at the time of service. Since your agreement with your insurance carrier is a private one, we do not routinely research why an insurance carrier has not paid or why it paid less than anticipated for care. If an insurance carrier has not paid within 60 days of billing, professional fees are due and payable in full from you.

MEDICARE PATIENTS We will bill Medicare for you. We will also bill secondary insurance carriers for you. All copayments or deductibles are due and payable at the time service is provided.

WELFARE PATIENTS All welfare patients must provide a current, valid sticker before being seen.

SURGERY FEES All copays, deductibles, and payments for non-covered surgical procedures are due prior to your surgery. Prior authorization may be required by your carrier.

NONCOVERED SERVICES Any care not paid for by your existing insurance coverage will require payment in full at the time services are provided or upon notice of insurance claim denial.

PERSONAL INJURY CASES This office does not bill for auto accident or other liability or lawsuit-related cases. You are responsible for payment at the time of service. We do not accept liens.

WORKER'S COMPENSATION If your injury is work-related, we will need the case number and carrier name prior to your visits in order to bill the worker's compensation insurance company.

YEARLY HEALTH CHECKS Periodic preventive health checks may or may not be covered under your health insurance policy; however, they may be required by your physician.

MISSED APPOINTMENTS In fairness to other patients and the doctor, we required at least 24 hours' notice to cancel appointments. You may be charged for missed appointments or dismissed from the practice.

Please circle one: I have paid my insurance deductible for the calendar year. Yes No Don't know

MEDICARE PATIENTS: SIGNATURE ON FILE I request payment of authorized Medicare benefits be made either to me or on my behalf to **NEPHROLOGY AND HYPERTENSION SPECIALISTS, LLC** for any services furnished me by the listed provider/supplier. I authorize any holder of medical information about me to release to the Health Care Financing Administration and its agents any information needed to determine these benefits or the benefits payable to related services.

I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If "other health insurance" is indicated in Item 9 of the HCFA-1500 form or elsewhere on other approved claim forms or electronically submitted claims, my signature authorizes releasing of the information to the insurer or agency show. In Medicare assigned cases, the provider or supplier agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, coinsurance, and non-covered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier.

We will also provide your physician or a subsequent health care provider with copies of various reports that should assist him or her in treating you once you're discharged from this hospital.

We will use your health information/or payment.

For example: A bill may be sent to you or a third-party payer. The information on or accompanying the bill may include information that identifies you, as well as your diagnosis, procedures, and supplies used.

We will use your health information for regular health operations.

For example: Members of the medical staff, the risk or quality improvement manager, or members of the quality improvement team may use information in your health record to assess the care and outcomes in your case and others like it. This information will then be used in an effort to continually improve the quality and effectiveness of the healthcare and service we provide.

Business associates: There are some services provided in our organization through contacts with business associates. Examples include physician services in the emergency department and radiology, certain laboratory tests, and a copy service we use when making copies of your health record. When these services are contracted, we may disclose your health information to our business associate so that they can perform the job we've asked them to do and bill you or your third-party payer for services rendered. To protect your health information, however, we require the business associate to appropriately safeguard your information.

Directory: Unless you notify us that you object, we will use your name, location in the facility, general condition, and religious affiliation for directory purposes. This information may be provided to members of the clergy and, except for religious affiliation, to other people who ask for you by name.

Notification: We may use or disclose information to notify or assist in notifying a family member, personal representative, or another person responsible for your care, your location, and general condition.

Communication with family: Health professionals, using their best judgment, may disclose to a family member, other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or payment related to your care.

Research: We may disclose information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your health information.

Funeral directors: We may disclose health information to funeral directors consistent with applicable law to carry out their duties.

Organ procurement organizations: Consistent with applicable law, we may disclose health information to organ procurement organizations or other entities engaged in the procurement, banking, or transplantation of organs for the purpose of tissue donation and transplant.

Marketing: We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Fund raising: We may contact you as part of a fund-raising effort.

Food and Drug Administration (FDA): We may disclose to the FDA health information relative to adverse events with respect to food, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

Workers compensation: We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to workers compensation or other similar programs established by law.

Public health: As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

Law enforcement: We may disclose health information for law enforcement purposes as required by law or in response to a valid subpoena.

Federal law makes provision for your health information to be released to an appropriate health oversight agency, public health authority or attorney, provided that a work force member or business associate believes in good faith that we have engaged in unlawful conduct or have otherwise violated professional or clinical standards and are potentially endangering one or more patients, workers or the public.

This Notice of Health Information Practices describes the personal information we collect, and how and when we use or disclose that information. It also describes your rights as they relate to your protected health information. This Notice is effective April 1, 2003, and applies to all protected health information as defined by federal regulations.

Understanding Your Health Record/Information

Each time you visit Nephrology and Hypertension Specialists, L.L.C., a record of your visit is made. Typically, this record contains your symptoms, examination and test results, diagnoses, treatment, and a plan for future care or treatment. This information, often referred to as your health or medical record, serves as a:

- Basis for planning your care and treatment,
- Means of communication among the many health professionals who contribute to your care,
- Legal document describing the care you received, Means by which you or a third-party payer can verify that services billed were actually provided,
- A tool in educating health professionals,
- A source of data for medical research,
- A source of information for public health officials charged with improving the health of this state and the nation,
- A source of data for our planning and marketing,
- A tool with which we can assess and continually work to improve the care we render and the outcomes we achieve,

Understanding what is in your record and how your health information is used helps you to: ensure its

accuracy, better understand who, what, when, where, and why others may access your health information, and make more informed decisions when authorizing disclosure to others

Your Health Information Rights

Although your health record is the physical property of Nephrology and Hypertension Specialists, L.L.C., the information belongs to you. You have the right to:
